Web-Based School Concern and Feedback Reporting System
A web-based platform that empowers students to submit and track concerns, and enables staff to manage feedback efficiently.
IMPLEMENTATION
Plan

STORY 1

THE INCIDENT
Give me your lunch money, now!
Not again... I'm too scared to tell a teacher.
*A moment of intimidation.
SEEKING THE PORTAL
They said we could report problems safely...
I can do this.
*Accessing the school reporting system.
SECURE LOG IN
SCHOOL CONCERN PORTAL
SECURE LOG IN
Student ID Number
Password
Log In
Let's log in...
*Safe, private, and secure access.

STORY 2

FILLING THE FORM
REPORT A CONCERN
Category:
[Select...
Bullying
Safety
Harassment]
Details:
Date/Location:
Submit Report
Finally, I can tell them everything.
*Providing crucial detait fear.
ADMIN NOTIFICATION
*Instant notification to a verified school official.
A report just came in. I need to look into this right away.
*PINGS!
NEW BULLYING REPORT FILED
*Instant notification to a verified school official.
RESOLUTION
*Feedback leads to safe, immediate action.
Thank you, Ma'am Azur. I feel so much better.
We are always here to listen and keep you safe.
